#### Bravo! - non-alcoholic beer <0.5% a/v

Yes, it's a non-alcoholic beer! Naturally fermented with special yeast and dry-hopped with fruity modern hops. It's real beer - a full flavoured pale ale - you'd never know it's non-alcoholic!

Schooner 7 | Pint 8.50

1

#### Robe Town Pale Ale - 4.5% a/v - BOTTLES ONLY

Our most popular beer by far - mild, easy-drinking, with subtle malt and gentle Aussie hop aroma. A perfect go-to and a great intro to our craft range. *Temporarily not on tap!*

Bottle 10

2

#### Bonnie Owl - session pale ale 3.8% a/v

A crisp, easy-drinking session ale with passionfruit hop aromas. Named after Robe Town's first public house, the Bonnie Owl, which once stood where the Robe Hotel is today.

Schooner 8.50 | Pint 11 | Bottle 10

3

#### Longboard Lager - 4.5% a/v

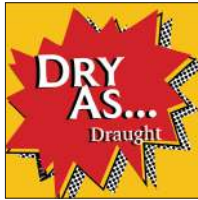

A crisp, easy-drinking lager brewed loosely in the pilsner style with subtle bitterness. Made with Australian pilsner malt and Eclipse hops. Unfiltered, all natural, and a fast favourite.

Schooner 8.50 | Pint 11 | Bottle 10

4

**Dry As... - low-carb, mid-strength draught 3.5% a/v**

Feel like a middy? This is our tasty dry, mid-strength draught! Super crisp, with a light and aromatic finish. Only on tap at Robe Town Brewery.

Schooner 7.50 | Pint 9

5

**Jetty Jumping - hoppy session pale ale 3% a/v**

A crushable low-alcohol pale ale with a firm bitter backbone and bright, modern hop aroma. Refreshing as a summer cold plunge, brewed with single-malt SA barley and Enigma hops from Victoria. Take the plunge - you won't regret it

Schooner 7.50 | Pint 9

6

**Fog Horn - hazy session IPA 3% a/v**

Hoppy and hazy like a thick sea fog, this triple-hopped low-alc IPA will blow your horn while keeping visibility high! One of our latest low-alc experiments - on tap only.

Schooner 8 | Pint 10

7

**The Moon Hop - fruity juicy extra pale ale - 6.1% a/v**

A fruity, juicy extra pale ale packed with extra malt and hops. Bold guava, passionfruit, and pineapple flavours with a full body and touch of sweetness. Drink fresh - cellar temp on cool days or chilled in summer.

Schooner 8.50 | Pint 11.50 | Bottle 10.50

8

**Fuzzy Feeling - hazy IPA 6.6% a/v**

Hazy and hoppy as heck (at least to Robe Town standards), this is our take on a truly fresh and hoppy, hazy IPA. The haziness is from the huge amount of hop oils dissolved in the beer, bringing a juicy flavour that contrasts with a heavy bitter background. Only on tap. Not for the faint hearted.

Schooner 9.50 | Pint 12.50

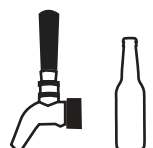

9

**White Light - Belgian style witbier - 4.7% a/v**

Robe Town's latest take on one of our favourites, a Belgian style witbier with tasty additions of coriander and orange rind. Crisp and refreshing. Naturally brewed and bottle conditioned.

Schooner 9.50 | Pint 12.50 | Bottle 11.50

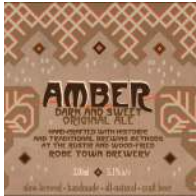

## **B** The Darker Side

Brown ale, red ale, stouts and porters

11

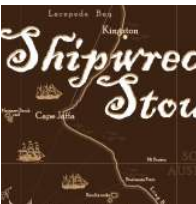

### **1869 (Lord's Dangerous Red) - red IPA 6.5% a/v**

A hearty red ale with big body, malty sweetness, and a bold hoppy finish. Some call it a Red IPA - we call it the Dangerous Red! Brewed in honour of George Lord Snr., founder of the original Robe Town Brewery (1869).

Schooner 9.50 | Pint 12.50

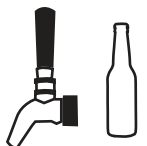

12

### **Shipwreck Stout - rich and smooth 5.5% a/v**

With earthy aromas of dark plum, coffee, and smoky licorice, this creamy stout delivers woody espresso and chocolate notes with a moreish finish. Well-balanced and easy-drinking - it's a stout that wins over even the skeptics.

13

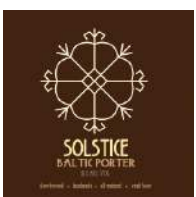

### **Dark Sea - dark IPA - 7.3% a/v**

A very dark, nearly black IPA with a rich malt backbone, moderate bitterness, and plenty of fresh dry-hop aroma. Brewed since 2020, it's a constant favourite - for us and our customers, but mostly us.
